

#YouthInAction for Human Rights

Did you know that 2026 marks the **10th Anniversary** of the UN Human Rights Council Resolution on Youth and Human Rights?

On the **30th June 2016**, the HRC adopted the first-ever resolution recognizing youth as key actors in promoting and protecting human rights.

This was a historic milestone, affirming that **young people** are not only recipients of rights, but **leaders** and **partners** in shaping a more just and inclusive world.

As we look ahead to the 10th anniversary of the resolution in 2026, **IIMA** and **VIDES International** launch the **#YouthInAction for Human Rights** series.

Inspiring messages, quotes and reflections by young activists and those who greatly contributed to this achievement will be shared on **LinkedIn** every two weeks.

Retracing the passionate and dedicated work of those who made this possible, let's rediscover a powerful sense of **shared purpose** and renew our **joint commitment** towards human rights.
